## **Refrigeration and Air Conditioning (HVAC) Technicians** **Competition #: AF-2021-064**

Acden Facilities is currently seeking two (2) **Refrigeration and Air Conditioning (HVAC) Technicians**. These positions will be servicing Commercial, Industrial, and Residential clients within the RMWB and surrounding Oil Sand clients. These positions consist of 8-hour day shifts; Monday through Friday; however, locations, hours and schedules may change from time to time due to operational requirements.

**This is a local position to the Fort McMurray, Alberta region. The successful candidates must have accommodations within Fort McMurray, Alberta.**

### **Duties and Responsibilities:**

- Install and repair heating, ventilation and air conditioning systems and components.
- Industrial, commercial, and residential maintenance, installs, and repairs.
- Ensure all documents and reports are organized, accurate, and clear.
- Report all incidents, near misses and unsafe working conditions to Supervisor.
- Actively participate in the shop safety program, toolbox talks and safety meetings.
- Maintain strict adherence to Occupational Health & Safety guidelines.
- Ensure building standards are maintained.
- Perform other duties as assigned that would fulfill the mandate of providing complete facilities operations and maintenance.

### **Qualifications and Skills:**

- **Alberta Journeyperson or Red Seal in Refrigeration and Air Conditioning trade.**
- Alberta Gasfitter "B" ticket is required, Gasfitter "A" ticket is an asset.
- Computer diagnostics systems (Automation) experience.
- Excellent problem-solving, organization and multi-tasking skills.
- Strong written and verbal communication skills.
- Highly developed interpersonal skills and ability to work well within a diverse workforce and independently.

Facilities Management, Maintenance and  
External Grounds Support Services
